

Match G2®

MATCH G2®

MATCH G2 is a modular passenger seating system for regional and long-distance trains.

Sophisticated in ergonomics and design, this train seat impresses with its extremely high feel-good effect for the passenger: It offers outstanding sitting comfort thanks to its ergonomically designed seat and back cushion. Then there is the high functionality of this train seat. And that is not all: With its modern and novel shape, the MATCH G2 train seat also fulfils the highest aesthetic requirements.

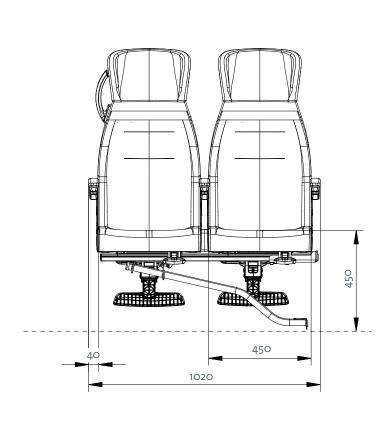

The cushion widths have been utilised to their optimum and fulfil the TSI-PRM standard. The headrest is a separate cushioned part and is fully upholstered, with hidden screw attachments, and offers excellent comfort for the head region. All cushioned parts can be quickly replaced as required, and are also available in flame-retardant versions.

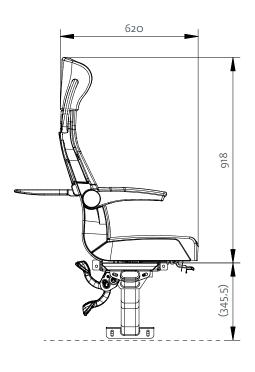

Product features and benefits:

- Modern, contemporary design
- Modular system
- Excellent seating comfort
- A range of varieties and first-rate optional extras
